## PRINCIPAL'S REPORT

Dear Parents,

Spring is sprung,

The grass has riz.

I wonder where the birdies is! (Ogden Nash)

Finally, after a long cold winter with so many children being ill, it's great to enter the Spring season with the promise of much more enjoyable weather.

### LCDSSA ATHLETICS

The students participated enthusiastically at the Athletics Sports last Friday. Their behaviour was excellent and they were a pleasure to walk around with from event to event. Zekie Johns has been invited to participate in the Regional Sports in both the 200 metres and the relay. I would like to thank all those parents who provided transport to and from Flora Hill on the day; your assistance was much appreciated.

### LANDSCAPING WORKS

Restoration of the area where the old building once stood is well and truly under way. Four large garden beds have been built, with the area between them to be asphalted. It will certainly give the front of the school a lift when it's completed.

### POSITIVE PROMOTION

We have undertaken a number of promotional initiatives recently (attracting the Play Group to the school and running the 'Library Lessons for Littlies' (on Wednesday mornings), in an effort to showcase our school to the wider community. However, our greatest promotional asset is *you*, our parent community. Please take every opportunity to highlight the many advantages your children have at our school when talking to others in the community.

We need to attract as many new enrolments as possible for next year and into the future, to enable us to maintain the staffing profile we currently have. Inglewood Primary is a great little school and we have a lot to offer in regards to quality teaching and learning and positive student relationships.

### SCHOOL PRODUCTION

We're practising madly and busily creating backdrops and props for our 'Dinner and a Show' production on Thursday, 17<sup>th</sup> September. We will have tickets for the show ready to go home shortly. There is a ticket price of \$5 a head, which will give you great entertainment and a fabulous Indonesian-inspired three-course meal. It would be wonderful if we had a large audience to support the students, so don't forget to invite friends and relations along as well. The fun begins at 6pm.

### SCHOOL FEES/ACCOUNTS

Thank you to those families who have paid their  
child's/children's school fees.

Once these fees are paid, then we can decide  
which programs to offer to our students.

We really appreciate families paying fees as  
early as possible. We have a number of families  
who have jumped on board and are using  
Direct debit payments into the school account.

Fantastic to see!

You don't have to use the internet to direct debit  
money, just set up the payment through your  
bank, it's so much easier than drawing out  
money and sending it along to school.

If you are having difficulties, please come in and  
speak to Geoff.
