**BUSY START TO THE TERM**

Mrs Vaughan, Miss Trembath and Mrs Polkinghorne set off Monday morning to Sovereign Hill for their annual camp. The weather has not been ideal, but the students have having a great time learning about Victoria’s Goldfields.

Mrs McKenzie and Grade 2 will be on camp at Roses Gap on Thursday and Friday this week. Mrs McKenzie’s remaining Grade 1 students will be taught by Miss Megan Clysdale for these days, and it will be school as usual.

**FROM THE PRINCIPAL’S DESK**

Welcome back to our final term of the 2016 school year. This is the term for really ensuring that goals set at the commencement of the year have been met and to re-evaluate. I encourage all our students to take some time in the next couple of days to think back and reflect upon these goals and discuss them critically with parents and teachers. If goals have been met, what else do you need to do succeed further? If they have not, can you identify why not? What might you put in place in these final weeks to make a difference? Mums, dads, teachers, friends, mentors can help and support BUT ONLY YOU CAN DO IT!

Thank you to everyone who has adjusted so well to our changes as we undertake the building upgrade.

Staff, students, community members and visitors have been very understanding of our necessity for these adjustments.

Parents/Carers are reminded to enter the school via the HUB in Chapel Street to collect a Visitor’s Pass or to request/provide information.

Our library is operating in a somewhat smaller space but we do still encourage parents of pre-schoolers who attend our playgroup to pop in and borrow a book.

Mrs Margaret-Anne Wright, Principal

**P-6 NEIGHBOURHOOD**

WE ARE A SUNSMART SCHOOL

It might be hard to imagine with the wet and stormy weather this week, but Term 4 means hats are a must for all students at Wedderburn College. From Monday, P-6 students will be required to sit under the tree outside Mrs McKenzie’s classroom at recess and lunch if they do not have a hat. Please

**DATELINE**

Playgroup every Tuesday morning from 9:00am to 10:45am
The College is certainly looking different with the building works well under way. The primary students are enjoying having Mrs Wright, Mrs Sprinthorpe and Mrs Marsh close by, with their offices relocated to the BER. The front office has been relocated to the HUB, and the library is sharing the music room. KLC lunchtime sessions have been suspended for the term, as the secondary staff have had their offices relocated to this area.

**STUDENT APPLICATION DEADLINE FOR KWONG LEE DOW YOUNG SCHOLARS PROGRAM**

Just a friendly reminder about the application deadlines for Kwong Lee Dow Young Scholars Program applications. All student applications must be received by next Monday 10 October 2016 at 11.59pm. Student applications can be lodged online by visiting: [http://futurestudents.unimelb.edu.au/info/school-students/kld/application](http://futurestudents.unimelb.edu.au/info/school-students/kld/application). Please see Mr Dougall for more information.

**SUNSMART HATS**

A reminder that as a Sunsmart school, students are required to wear a sunsmart hat during Term 1 and Term 4 whenever they are outside. This includes recess, lunch and PE. A sunsmart hat is not a baseball style cap. Any student who is not wearing a sunsmart hat after Week 1 will be required to sit in the BER during recess and lunch or not participate in PE activities if they are outside.

**YEAR 6 TO YEAR 7 TRANSITION**

Grade 6 students will participate in transition activities to Year 7 during this term. Please see below for key Wedderburn College Grade 6 to Year 7 transition dates:

- 29th Tuesday November 2016: Wedderburn College Afternoon Taster Session
- 6th Tuesday December 2016: Year 7 Step Up Day (whole day)
- 30th Monday January 2017: First Day of School (Learning Conversations)

**FEDUNI SCHOOLS OUTREACH YEAR 8 EXPERIENCE CAMP**

The experience will be rewarding for all students attending the two day camp – making them aware of the benefits and possibilities that further education can offer following their successful completion of secondary school. The camp will allow students to step outside their comfort zone by working with a range of students from other secondary schools as well as current university staff and students from Federation University (FedUni).

The camp will commence at 11:00am Tuesday 6th December in Central Ballarat, at the SMB Campus. After lunch, students will participate in a range of university ‘taster’ sessions run by FedUni staff and students at the Camp Street and SMB campuses. Following these ‘taster’ sessions, students will travel to the Mt Helen campus, where students will be allocated to their unit and room in the on-campus residence. The afternoon sessions will be followed by dinner a guest speaker and student panel. On Day 2 students will all participate in the same rotating activities. To provide your students with the opportunity to meet a variety of secondary and university students, groups will be mixed on both days.

Camp Date: Tuesday 6th and Wednesday 7th December, 2016

More information will be provided in the coming weeks.

**NO REWARD WITHOUT EFFORT**
YEAR 11-12 NEIGHBOURHOOD

WELCOME BACK TO TERM 4
Term Four is certainly the busiest term for the Year 11 and 12 Neighbourhood. Our Year 12 students have begun the last few weeks of official classes, with their official last day of school taking place on Wednesday the 19th of October. We will have a whole school assembly on this day to act as an official ‘goodbye’ and celebrate their achievements – all parents and community members are welcome to attend.

Our VCE and VCAL Year 12s will have their annual Celebration Dinner on Thursday 20th October at the Mechanics Hall Institute. This event has been student organised and will be catered by the Wedderburn Tennis Club. All students are reminded to return their RSVPs as soon as possible to ensure the appropriate planning can take place. The Celebration Dinner is a formal event and we look forward to seeing everyone dressed up.

Although our Year 12s are finishing their official classes, our VCE students will be very busily revising and preparing for their VCE Examinations. Due to our current building renovations, our official examination centre has been relocated to the Wedderburn Trotting Club Rooms. A letter has been sent home to all affected students outlining important information regarding this change.

Year 12 students are reminded that they are welcome to be at school whilst preparing for their examinations and use our facilities even though their official classes will be finished. Some staff may also arrange individual ‘catch ups’ prior to each exam. Students are encouraged to arrange a session with their individual class teachers prior to each exam.

Our Year 12 Indonesian students began the Examination period yesterday with their Oral Examination. I’d like to extend a big thank you to Ibu Humphrey who accompanied the three students to Girton Grammar, where the examinations were held. Our first written examination will take place on Wednesday 26th October for English. The exam period will run until Wednesday 16th November. I would ask all students and community members to be aware of these examinations and try to minimise noises and disruptions around Donaldson Park throughout their duration.

Our Year 11 end of year Examinations will take place between Friday 18th – Wednesday 23rd November. Year 11 students will then have a week of ‘Step Up’ into Year 12 classes before completing their school year on Wednesday 30th November.

Our VCAL students are busily organising their annual RACV Energy Breakthrough bikes and team in class. The RACV Energy Breakthrough is held in Maryborough. The exciting program is designed to provide opportunities for students, teachers, parents and local industry to work together to design and construct a vehicle, a machine or innovation in technology that will represent an ‘energy breakthrough’. School groups work throughout the year to design, build and test vehicles or machines within detailed specifications. These groups then bring their vehicles and machines to Maryborough in November, for a huge celebration in which they can demonstrate and trial them in action. We look forward to an update from our team soon and hope to see some of you at the race to cheer them along.

Important Dates:
- Wednesday 19th October - Year 12 student’s last school day
- Thursday 20th October - Year 12 student’s Celebration Dinner
- Wednesday 26th October - First Year 12 VCE Examination
- Thursday 17th - Sunday 20th November - RACV Energy Breakthrough
- Friday 18th - Wednesday 23rd November - Year 11 Examination period

Mrs Lauren Barker, VCE Coordinator

COMPASS
Don’t wait for the end of semester to view your child’s progress. Log in to Compass and view teacher feedback and feed forward at anytime by checking out your child’s Learning Tasks. Children also receive regular (every 5 weeks) progress reports on their Organisation, Behaviour, Attitude to Learning and Work Completion. Learning Tasks and Reports can be found under your child’s profile page.

WALK TO SCHOOL
Just a reminder to sign up to ‘Walk To School’ for the month of October, 2016. There will be a range of games and activities occurring during lunch time. It is important that students are active each day through participation of walking to school, structured sports, or lunch time activities. Students, families, staff and the wider Wedderburn College community are encouraged to partake in at least thirty minutes of physical activity every day.

There will be a range of activities each week for students to participate in and enjoy including hockey clinics, Zumba lessons and much more. Prizes will be awarded for the most active student in each classroom as well as special prizes awarded at the lunch time activities.

Local students who are able to walk, scoot or ride to school are encouraged to do so. Students who catch the bus or are dropped in can still be involved by walking from High Street each day.

Any questions about the program, please contact Kim Greenwell.
**CHAPLAIN’S CHAT**

During the holidays I had the job of dismantling the greenhouse and aquaponics system at Highland Primary School, one of the schools I work at when not at Wedderburn. This little school is closing at the end of this year due to the drop in numbers attending it. The aquaponics system was built about 3-1/2 years ago and as part of the closing down plan for the school, it had to be remove and given to another school, so I put in for it and the components are coming to Wedderburn to supplement our system here. It took approximately nine months to build this system and 8 hours to pull it down. Anyway, over the next few weeks I will gradually bring the components across here to add to ours, including the fish which are holidaying in my own system at present. Over the past three years this set up has provided loads of fresh vegetables to the school at Highlands and supported their healthy eating program which is running in the region.

Graham Veal, College Chaplain

**VCAFÉ**

The Vcafé will recommence this Friday 7th of October.

We will be offering a new and improved menu consisting of:

- Aussie spring rolls $1.00
- Brownies $1.00
- Quiche $1.00
- Sausage rolls $1.00
- Spaghetti Bolognese $4.00
- Triple-choc cookies $1.50

Thank you for your continued support.

The VCAL Team

**CLEAN UP AUSTRALIA DAY**

Please be aware that the date for Clean Up Australia at Wedderburn College will take place on Friday 21st October 2016.

Trina Vaughan, Resource Smart Coordinator.

**INDIGENOUS STUDENTS MORNING TEA**

A morning tea will be held on Tuesday 11th October at 10:30am to meet with the Wedderburn College Koori Education Support Officer, Mr Matt Holmes. This will be a wonderful chance for Matt to meet all our Indigenous students and their parents/carers and get discussions going around what the students would like to see happen in the school in regards to activities, murals and cultural experiences, etc.

Afterwards, students will have the opportunity to learn and participate in traditional Koori games which they will then be able to demonstrate to others.

For catering purposes, please indicate whether or not you and/or you child will be attending by returning the form below.

COMMUNITY NEWS

WEDDERBURN COMMUNITY OP SHOP
Wedderburn Community Op Shop is in DESPERATE need of second hand uniforms. If you have any school uniforms that no longer fit your child or you no longer need, can you please donate them to the Op Shop? You can drop them at the shop when we are open on Wednesday, Thursday, Friday or the last Sunday of the month (Farmers Market). We also have a drop off bin located right next to the Tyre Centre coming into town from Bendigo direction.

WANTED PLEASE: Old photo frames
The Art room is seeking a range of second hand photo frames (both with and without glass) for an upcoming Year 9/10 Art project. If you have any unused frames at home please bring them to school to support our upcoming, exciting Art project. No frame will be too big or too small. Thanks

Mrs Lauren Barker

MOTHERS’ CLUB CONCERT 2016
Friday, November 4th
Our 61st annual comedy concert is the Wedderburn College Parents’ Associations’ major fundraiser.

*All the money raised from the event is invested back into the school community for the benefit of students.
It would be tremendous to have the school community support this concert. Please scribe the date on your Calendars as a VIP and Must See event.

It’s a ladies’ night out (girls from High School age and over are welcome to attend also). Yep, so dad’s are on duty while the women take a night off to have a good laugh. This concert is a very popular night of entertainment and we are very proud of its successful history.
If you are keen to join the cast, please contact Alex Holt ASAP on 5494 3757.

Please refer to the flyer attached to the newsletter for more information. Cheers.
